

# LAWSON PARK SCULPTURE WALK

## COMPLETE YOUR SCULPTURE WALK AT MUDGEE ARTS PRECINCT

Make your cultural experience even more memorable following your tour of public art with a visit to Mudgee Arts Precinct. Enjoy exhibitions in its three gallery spaces, find out about other great cultural events and activities across our region and have a chat with the friendly staff at Mudgee Region Tourism.

While you are here, quench your hunger and thirst with food and drinks (including regional specialities) from the on-site cafe, or purchase local produce and wine to take away with you from Mudgee Region Tourism.

Mudgee Arts Precinct offers a range of activities and events throughout the year such as openings, free artists talks, guided tours, workshops and community days.

## SCULPTURES IN THE GARDEN

**'Rosby' 122 Strikes Lane,  
Eurunderee, Mudgee NSW**

Sculptures in the Garden is an exciting not-for-profit event that combines Australian sculpture and traditional art mediums in beautiful rural surroundings within a private garden and vineyard in Mudgee, NSW. Held each year in October, the event attracts submissions from local, regional and international artists.

For more information, visit

# LAWSON PARK SCULPTURE WALK

Take a stroll along the banks of the Cudgegong River in Lawson Park West through to Mudgee Arts Precinct and enjoy works from Mid-Western Regional Council's public art collection.

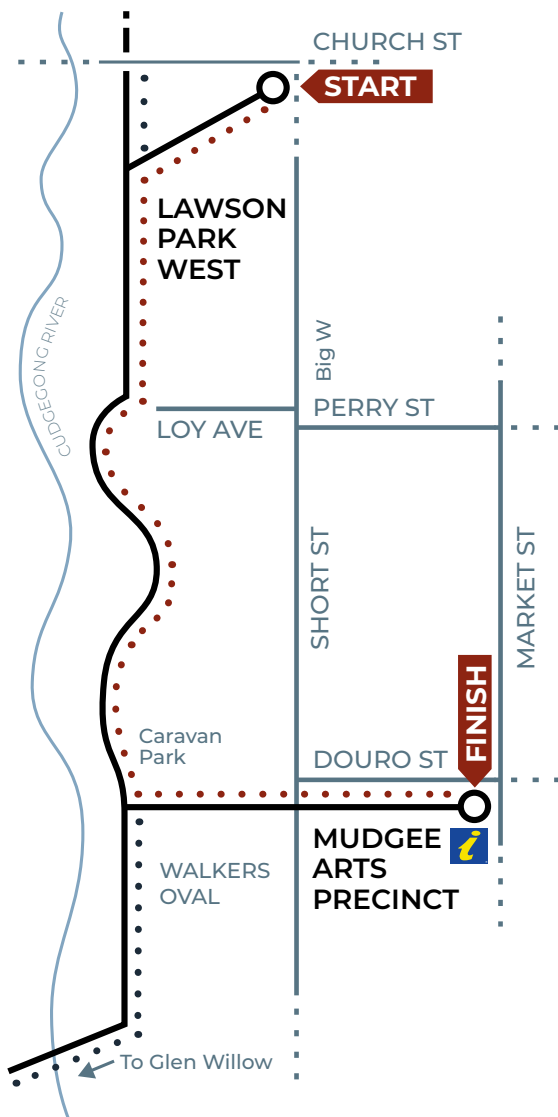

View a range of sculptures created using a variety of materials and techniques that enhance the aesthetic appeal of the park with its picturesque backdrop of riverbank.

The Lawson Park Sculpture Walk is a community initiative that began in 2013 thanks to Sculptures in the Garden (SIG). SIG is a not for profit sculpture event held annually with quality entries donated to the community and adding to the region's growing public art collection.

The walk includes winning acquisition prizes from the event funded in partnership with Mid-Western Regional Council. Other donors include Friends of SIG and Moolarben Coal, as well as various private donors.

SIG has worked with, and continue to fundraise for, Guide Dogs NSW/ACT since the first event in 2010.

The creation and continued growth of the Lawson Park Sculpture Walk is a great legacy of SIG and a gift of art to the region for locals and visitors alike to enjoy.

## REGIONAL SCULPTURE SITES

In addition to the works displayed on the Lawson Park Sculpture Walk you will also find public art on display elsewhere within Mudgee, Gulgong, Kandos and Rylstone.
